New Tech & Services

The New Forge Makerspace at North Branch

The Forge at North Branch Library is a makerspace that provides the knowledge to innovate, the space to collaborate, and the tools to help you bring your ideas to life. The Forge offers resources for fabrication, crafting, electronics, digital creation, and more! Over the past year, the Forge has been updated with new equipment. The Forge renovation is funded by a grant from the U.S. Institute of Museum and Library Services and Texas State Library and Archives Commission (Grant #LS246561-OLS-20). See some of the new equipment below, and read more about all the Forge equipment at bit.ly/DPLForge.

Nomad 3 CNC Machine

Create prototypes, make jewelry, engrave parts, cut inlays, cut parts, or cut 3D shapes using wood, soft metals (aluminum and brass), and plastics (Delrin, acrylic, polycarbonate) with the desktop CNC machine in the Forge Makerspace. Bring your own wood, soft metal, or plastic materials to create your project.

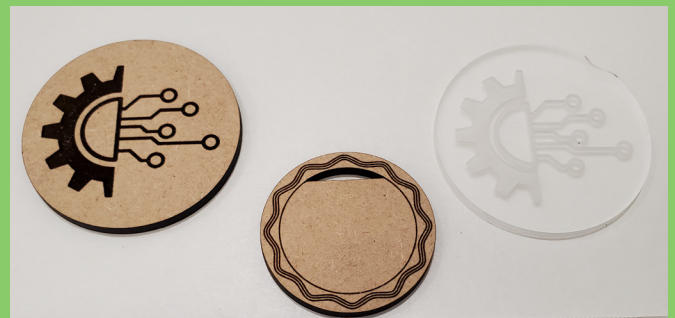

Electronics and Supply Cabinet

Take a look in the blue storage cabinets in the Makerspace to find the electronic equipment or craft tool you need! Electronic tools include soldering irons, Arduino kits, Makey Makeys, and more. You'll also find craft tools such as the sewing machine, rotary cutters and mats, sewing scissors, yarn ball winders and yarn swifts.

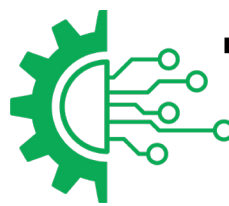

3D Printer

Our two Ultimaker 3D printers bring your designs to life and can print in one or two colors! 3D printing charges are \$0.75 per 10 grams. Learn about 3D printing at our monthly 3D Printer Orientation classes. E-mail theforge3d@gmail.com to submit your print job requests.

Glowforge® Laser Engravers

Our two Glowforge® Laser Engravers can cut, engrave, or score to create gifts, home decor, jewelry, awards, keepsakes, tools, or other projects. Purchase materials at the library or bring in Proofgrade wood or acrylic material that you purchased directly from glowforge.com.

Laminators

Bring your own laminating sheets to use the 8.5x11" page laminator or laminate larger items with our 27" laminator for \$0.50 per foot. You can even laminate calendars, to-do lists, chore lists, and more and write on them with dry erase markers!

Cricut Maker

Our Cricut Maker has mats, weeding tools, a marker set, and cutting, scoring, foiling, and embellishing tips. Bring your own vinyl, iron on, transfer paper, or other materials to make projects, gifts, labels, cards, and more. Use your Cricut Design Space account to design your perfect project and bring it to life.

OUTDOOR WIFI AVAILABLE

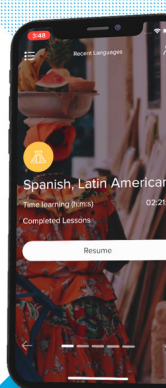

Access WIFI in all three Library parking lots and the Nook outside Emily Fowler Central Library.

Mobile Hotspots

The library has 45 mobile wi-fi hotspots available for checkout. Mobile wi-fi hotspots are small devices that allow you to access the internet wherever you are. Each hotspot can provide wi-fi internet for 4-6 devices (laptops, smartphones, tablets, etc.). 15 of the mobile wi-fi hotspots were funded by a grant from the U.S. Institute of Museum and Library Services and Texas State Library and Archives Commission (Grant #LS246561-OLS-20).
